**Alma Mater**

Far above Cayuga's waters  
With its waves of blue  
Stands our noble Alma Mater  
Glorious to view

Lift the chorus  
Speed it onward  
Loud her praises tell  
Hail to thee our Alma Mater  
Hail, all hail, Cornell!

Far above the busy humming  
Of the bustling town  
Reared against the arch of heaven  
Looks she proudly down

Lift the chorus  
Speed it onward  
Loud her praises tell  
Hail to thee our Alma Mater  
Hail, all hail, Cornell!

## Our Distinguished Alumna

Drucy Borowitz, M.D. is a clinical professor of pediatric pulmonology at the Women & Children's Hospital of Buffalo. Dr. Borowitz has served as the national and international principal investigator for a variety of multicenter studies. Presently she is the national principal investigator for a longitudinal study of nutritional parameters in infants diagnosed with CF by newborn screening. An alumna of Brandeis College, she graduated from the Cornell (Weill) Medical College in 1979.

## About the Cornell Club of Greater Buffalo

Since 1880, Buffalo-area Cornellians have been gathering to support each other, the University, and the region. Today, over 2400 Cornellians call the international Buffalo-Niagara region home, and Cornell currently enrolls over 175 students from the Buffalo-Niagara region – around 45 students in every entering class year. Prominent Buffalo-area Cornellians include E.B. Green '78, Willis Carrier '01, Barber Conable '42, Matt Urban '48, Janice Okun '54, and Brian McCutcheon '71.
